TO THE PROXIES OF NEXUS AG**IMPORTANT:**

This form does not replace proper registration for the Annual Meeting nor the timely receipt of proof of share ownership in proper form. Both are also a prerequisite for exercising your shareholder rights when granting a power of attorney.

If no regular registration to the Annual Meeting is presented, proof in proper form of shareholdings is received in due time by the Company, or unambiguous assignment of the form for registration should not be possible due to incomplete or illegible information, the proxy appointed by the Company cannot exercise voting rights at the Annual Meeting.

If you wish to exercise your voting rights prior to the Annual Meeting, we offer you the option of voting rights representation by instructed representatives of our company.

For this purpose, you can either use the shareholders' portal **up to and including 13 May 2024, midnight CEST**, (the access data can be found on your access ticket), or complete the form and submit it **by the end of 13 May 2024, midnight CEST**, to the address indicated above.

The shareholders' portal can be accessed on the website of Nexus AG at <https://www.nexus-ag.de/hv>.

NOTES:

You can find information about the person issuing the proxy on the access ticket.

If the voting rights representatives appointed by the Group are authorized, they must in any case be instructed to exercise the voting rights. The proxies are obliged to vote in accordance with the instructions given to them.

The Company's proxies may not receive instructions on counter- or procedural motions, on questions, motions or nominations for election or on the explanation of objections to resolutions of the Annual Meeting, either in advance or during the Annual Meeting.

If the proxies receive several powers of attorney and instructions for one and the same stock of shares or if they receive them by different transmission channels, the last formally valid power of attorney issued with the corresponding instructions shall be deemed to be binding. If declarations deviating from one another are received on different transmission paths and it is not possible to identify which one was last received, these are taken into account in the following order:

1. via the shareholders' portal, 2. by email, 3. statements sent by post.

Please also note the explanations on the access ticket and in the Annual Meeting invitation.

Please fill out *l e g i b l y* in block letters.
